STATEMENT OF REASONS FOR ALLOWANCE

3 The following is an examiner’s statement of reasons for allowance:

Although, Masaaki Kasugal (JP 2000297019 A), teaches and disclose a hair dyeing composition comprising amphoteric terpolymers (see English abstract). However, the patentee differs from the applicant in that the reference (JP’ 019 A) does not teach or disclose the amphoteric terpolymer comprising repeating units of the claimed moieties or polyquaternium-53 as claimed. Accordingly, the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of hair dyeing formulation.

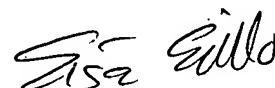

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
